

Black Forest Experience Products

Eyes closed & Thoughts on standby

Let yourself be carried away on a journey far away from the stresses and strains of everyday life:

Gentle rustling in the branches, birds singing, soft moss under your feet, spicy fresh forest air...

Can you already feel the power of the Black Forest?

Nothing will make you experience the Black Forest more clearly and intensely than the purity of our Black Forest springs, combined with the original favourites of our company founder: spruce needles, forest berries and honey.

The Bathing Experience

Dive into the nature of the Black Forest with our Hagners Black Forest **bath essences**.

The **'Spruce'** variant exudes the fresh flavour of conifers, while **'Berry'** invites you to dream with the sweet scent of local forest fruits.

The **'Bath Honey'** completes the experience by transporting you to blooming meadows and pampering your senses.

The Care Experience

Whether revitalising in the morning or relaxing in the evening - the right body care provides your body and mind with new freshness.

The **'Shower Essence Spruce'** transports the spicy scent of the forest directly into your shower, while the 'Shower Essence Forest Herbs' revitalises and refreshes with its aromatic herbs.

The **'Muscle Vital Gel Mountain Pine'** is ideal for massaging stressed muscular areas and leaves the skin feeling pleasantly revitalised

The **'Sugar-Oil Peeling Cherry Dream'** pampers your skin with fine sugar crystals and nourishing oils, while the sweet scent of ripe Black Forest cherries delights your senses.
